Positions - Please be in your position and ready to go 16 minutes prior to your assigned service.

Lead - You are that 'captain' of the room for the service. Please pray with the other leaders in your room before you start welcoming in kids. Be prepared to lead the lesson, craft, activities, etc. Please work with your assistants to share the load and don't be afraid to ask them to lead things.

Assist - Be present when kids are arriving to the room so parents can ask questions, discuss concerns, etc. Work alongside the lead teacher and assist as needed.

Welcome/Assist - Start your shift out in the lobby of the Family Entrance (near Check-In Computers) 16 minutes prior to service. Greet families and assist with check-in and directions as needed. Five (5) minutes after the service begins please report to your assigned room to assist throughout the service.
